Happy New Year!

As we step into 2025, we are excited to embark on a journey of growth, innovation, and collaboration. January marks the beginning of a fresh chapter, and our building is buzzing with renewed energy.

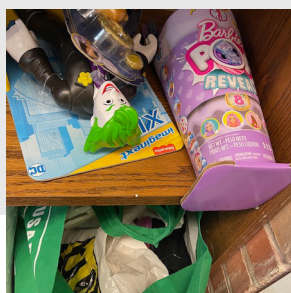

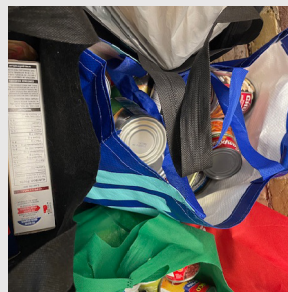

As we navigate the year ahead, let's continue to foster a culture of teamwork, creativity, and excellence. Wishing you a prosperous and successful year ahead!

— **Stephen Adams**, Associate Director, Asset Services

Thank you!

We want to extend our heartfelt thanks to our amazing tenants for their generous support of the Daily Bread Food Bank. Your food and monetary donations make a real difference in the lives of those in need, spreading hope and kindness throughout our community. Together, we are making a positive impact—thank you for being part of this important cause!

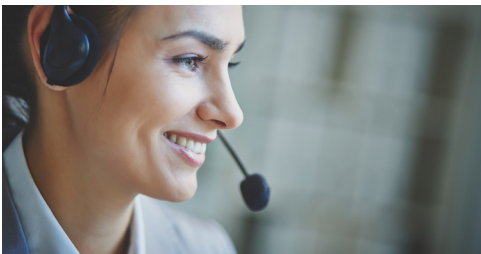

A big THANK YOU to our wonderful tenants for your incredible generosity during our Annual Toy Drive! Thanks to your kindness, we collected an amazing number of toys, all of which have been donated to the CP24 CHUM Christmas Wish to bring joy to children in need this holiday season. Your support helps brighten the holidays for so many families, and we couldn't be more grateful. Please take a moment to enjoy the attached photos showcasing the amazing collection of toys—we couldn't have done it without you!

MRI ANGUS TENANT REQUEST

MRI Angus Tenant Request (TR) is a fully Web-enabled system designed to manage and streamline the work order completion process. A request is created when a tenant has a need for service. Requests are converted automatically by MRI Angus into TR work orders.

Tenants are able to make requests using their Service Portal.

Service Requests. Tenants, building occupants, and staff can easily submit and track service requests from a web browser or mobile device. Requests are immediately routed, ensuring the service is attended to as quickly as possible.
